Aegon Ltd. Closed Periods 2025

Persons discharging managerial responsibilities¹ and other permanent insiders within Aegon Ltd.² are not allowed to conduct any transactions on their own account or for the account of a third party, directly or indirectly, relating to the shares or debt instruments of Aegon Ltd. or to derivatives or other financial instruments linked to them during periods leading up to the public announcement of the interim financial report or the year-end report of Aegon Ltd.

These (scheduled) periods are referred to as closed periods. A closed period commences at a minimum of thirty (30) calendar days before the publication of the quarterly and full year results of Aegon Ltd. Insiders are allowed to trade during an open period provided they are not in possession of inside information in relation to Aegon Ltd. Trading restrictions are lifted on the day following the public announcement, at 0.01 am (CET), unless instructed otherwise by the Group Compliance Officer of Aegon Ltd.

Please note that additional (unscheduled) closed periods –also referred to as 'blackout periods'– are NOT included in this calendar.³

Endnotes

- 1 Within Aegon Ltd. persons discharging managerial responsibilities are the members of the Board of Aegon Ltd., and the Executive Committee of Aegon.
- 2 As identified under the Aegon Ltd. Insider Dealing Policy.
- 3 Trading during an open period may be restricted for certain (groups of) individuals due to the existence of inside information, for which Aegon Ltd. has exercised its right to delay public disclosure. These additional unscheduled closed periods are referred to as blackout periods. This applies to situations whereby immediate disclosure of such information would prejudice the legitimate interests of the company. Individuals who will be restricted in their ability to trade during an open period will be notified by the Group Compliance Officer of Aegon Ltd.
